ABOUT US

Nanjel Solutions is focused on delivering the best IT security for businesses. We lead the way in a different approach to information security to protect you better, give you more visibility, make security infrastructure and to eliminate the need for a variety of standalone and bolt on security devices. We provide next generation information technology solutions that enable business to be conducted securely and privately on the internet.

Vision

Our vision is to be recognized as a leading professional, knowledgeable, ethical and end-to-end information security service provider to our customers. Our core values are:

- ▼ Customer Focus
- ▼ Trust & Integrity
- ▼ Performance & Excellence
- ▼ Knowledge, Research & Innovation
- ▼ Competitiveness & Commitment
- ▼ Fun & Work
- ▼ Celebrate Success!

Mission

Fulfill high-end information security need of the organizations by providing best-of-breed consulting services and delivering innovative products. To get recognized as top-ranked information security company in the Middle East.
